Spine Siluet

Tornillos fenestrados

Indice

Pág. 3 Implantes

Pág. 6 Tulipas/ Tapón

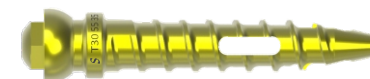

Pág. 7 Instrumental

Pág. 8 Armado/Despiece

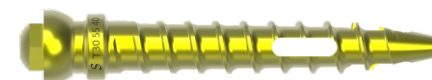

Pág 9. Instrumental

Implantes diámetro 5,5 mm

T30 55 35C Tornillo pedicular poliaxial fenestrado

T30 55 40C Tornillo pedicular poliaxial fenestrado

T30 55 45C Tornillo pedicular poliaxial fenestrado

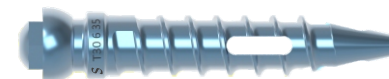

T30 55 50C Tornillo pedicular poliaxial fenestrado

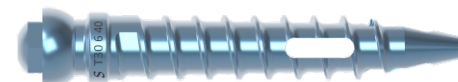

Implantes diámetro 6

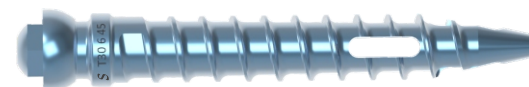

T30 6 35C Tornillo pedicular poliaxial fenestrado

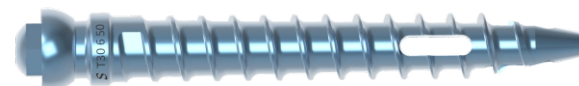

T30 6 40C Tornillo pedicular poliaxial fenestrado

T30 6 45C Tornillo pedicular poliaxial fenestrado

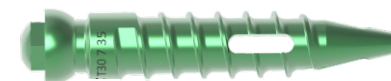

T30 6 50C Tornillo pedicular poliaxial fenestrado

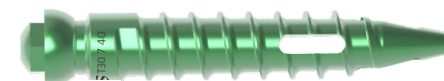

Implantes diámetro 7

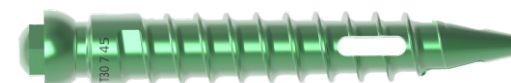

T30 7 35C Tornillo pedicular poliaxial fenestrado

T30 7 40C Tornillo pedicular poliaxial fenestrado

T30 7 45C Tornillo pedicular poliaxial fenestrado

T30 7 50C Tornillo pedicular poliaxial fenestrado

Tulipas diam 5mm

T30 2 5M Tulipa monoaxial extendida para Barra std diam 5mm

T30 3 5M Tulipa monoaxial std para Barra std diam 5mm

T30 2 5P Tulipa poliaxial ext para Barra std diam 5mm

T30 3 5P Tulipa poliaxial std para Barra std diam 5mm

Tulipas diam 6mm

T30 2 6M Tulipa monoaxial extendida para Barra std diam 6mm

T30 3 6M Tulipa monoaxial std para Barra std diam 6mm

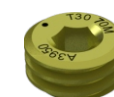

T30 2 6P Tulipa poliaxial ext para Barra std diam 6mm

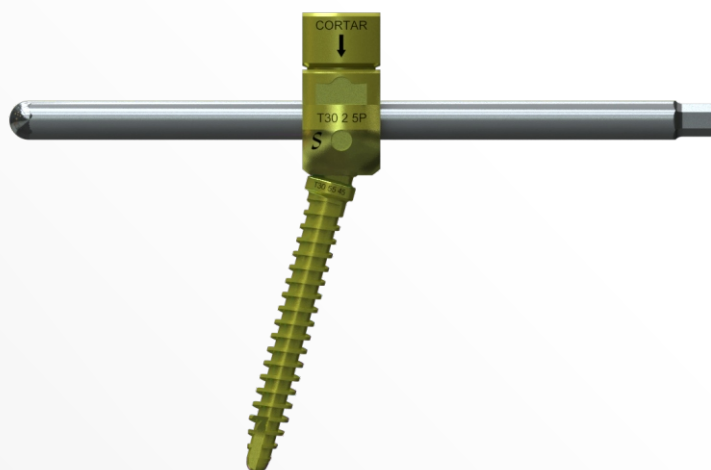

T30 3 6P Tulipa poliaxial std para Barra std diam 6mm

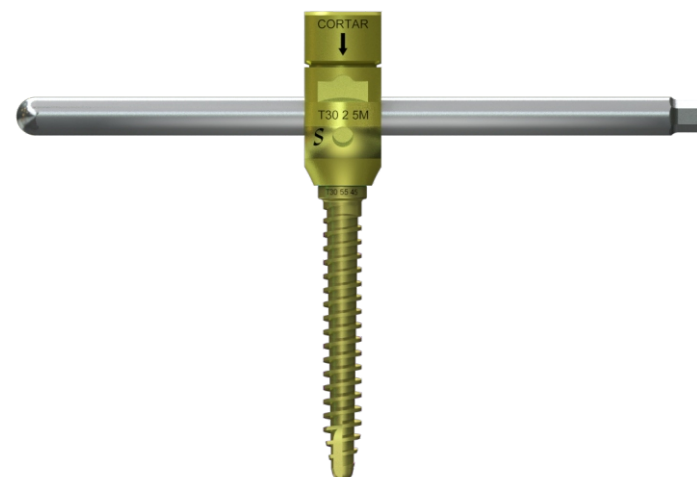

T30 70M Tapón hexágono 4 mm

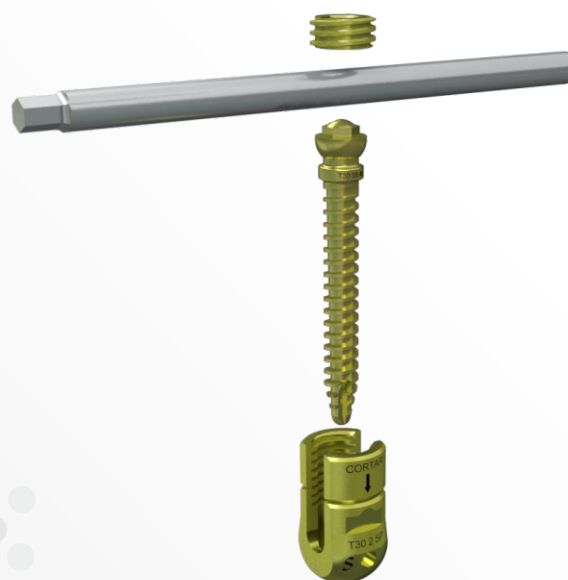

Armado/Despiece

Poliaxial

Monoaxial

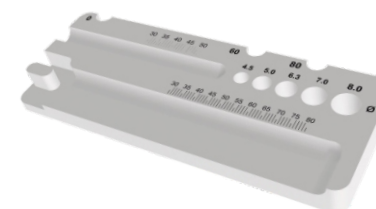

Instrumental

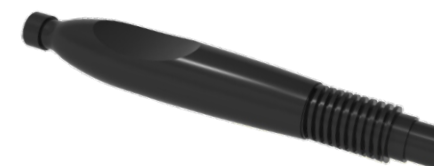

110 004 13 Introdutor de tornillo poliaxial

110 033 00 Cartabón

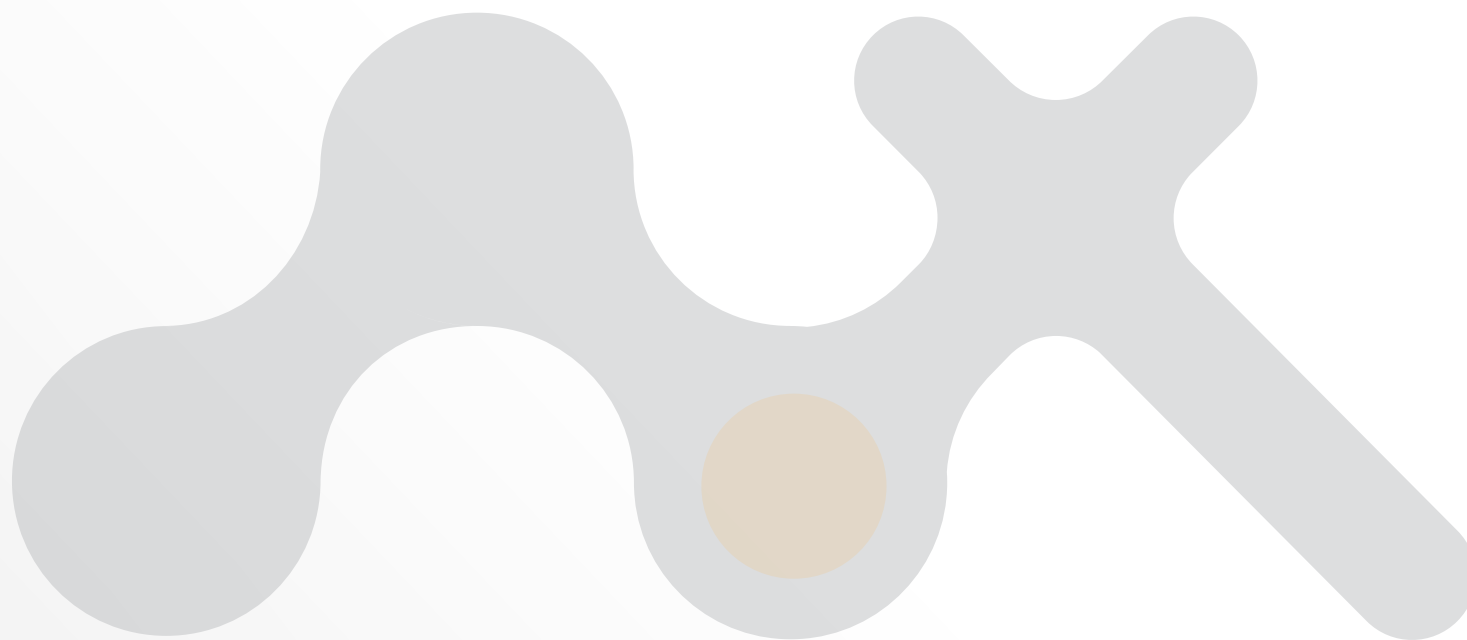

110 075 00 Conector canulado para tornillo canulados

110 089 08 Clavija para conectores canulados
